August 24, 2009

To All Customers:

This is to confirm and certify that all EverGlow® brand photoluminescent signs, markers and film products are accepted for use in the City of New York by the NYC Department of Buildings.

All shipments and deliveries of our MEA approved products will be marked or labeled in accordance with the format required by the Department of Buildings.

All individual signs and markers will be labeled in accordance with RS 6-1:

Manufacturer - EverGlow®

Product Luminance - EverGlow HI150® or EverGlow HI300®

Part Number - also specifies construction of:

- EverGlow Aluminum
- EverGlow Aluminum with Ceramic Coating
- EverGlow Tamper Resistant Film
- EverGlow Premium Film
- EverGlow Vinyl Film

MEA Approval Number
Brightness

Sincerely,

A handwritten signature in black ink that reads "Charles V. Barlow". The signature is written in a cursive, flowing style.

Charles V. Barlow
